

## Auld lang syne – one-shot version!

Should auld acquaintance be forgot,  
And never brought to mind?  
Should auld acquaintance be forgot,  
And auld lang syne!

### **Chorus:**

For auld lang syne, my dear,  
For auld lang syne,  
We'll take a cup of kindness yet  
For auld lang syne!

*Should auld acquaintance be one-shot,  
And asymptotics declined?  
Should auld acquaintance be one-shot,  
Upto  $\varepsilon$ -s,  $\delta$ -s and signs!*

### **Chorus**
