The last line from bottom of pages 299 and 389 is a tiny bit too low and consequently are missing the bottom half of a symbol (see "(10.73)" on p. 299 and " $u_\nu$ " and " $\partial W_{p\ell}$ " on p.389). The correction on p.22 is so trivial that I would not make it, but would leave p. 22 as it is.
